
GOLF is a game we thoroughly enjoy.

But it is not because of the skill in which we slap the little white pellet around the course.

We play a consistent game. Poor.

But we have something in common with the best players.

We enjoy the relaxation the game gives; the pleasant company and the fresh air.

Even Tony Raffanti, who probably is tops locally on the tees, doesn't get any more out of the game than we do, except a lower score.

Or Bill Means for that matter.

For sure Bill has missed our company during the past two years or so.

We kept him in pocket money when we were here before.

And if our game last week at Pasatiempo is any criteria of things to come, he is picking up where he left off.

But this is all by the way of introduction to an interesting (to us anyway) news dispatch about golf from the San Francisco office of the Bank of America.

When a bank concerns itself with golf, we realize that the game has really arrived.

-o-

"MORE GOLF BALLS dotted the fairways of America's 7,477 golf courses in 1963 than ever before," the news release reports in turn quoting from the bank's periodical "Small Business Reporter," a 12-page booklet included.

Approximately 6 1/4 million golfers played 15 or more rounds during the year, representing a 12 per cent increase over the previous year.

So you see when we talk about golf, we are no longer referring to the privileged few.

Golf, the report continues, now accounts for more than 45 per cent of the American public's total spending for athletic goods. The bank also reported that over $50 million a year will be invested in golf links to meet the mounting demand.

And California has 17.3 per cent of the nation's golfing population--but only 6.4 per cent of its golf courses.

-o-

OTHER INTERESTING TIDBITS garnered from the report included:

The average golfer will drive 45 minutes to get to a golf course--but no more.

He will wait several hours to get into a course.

He will spend four or five hours completing 18 holes by golf cart or on foot.

During these hours, he makes a few agers, and decides to buy some new equipment.

And then there is always the "19th hole available."

The Bank of America in its booklet also goes into great detail about how golf courses

Meeting airs problems

Areas need upgrading in Campbell-BUT HOW?

Is Campbell Avenue worth saving as a retail business area in face of the apparent increasing trend toward commercial services and offices on the street?

And what is the best way to upgrade the Railway-Dillon-Gilman area in which 60% of the buildings in this section have been already or will soon be demolished?

These were the two basic questions that were discussed at a meeting at the City Hall last Wednesday at which property owners, city and C. of C. officials and others were interested participants.

But even after three hours of animated verbal barrages, the questions were still unanswered when the meeting was adjourned.

All were in agreement, however, that something should be done to improve the situation in both areas.

Just what and how was something else again.

The meeting on Wednesday was a double-barrelled affair with the first portion of it devoted to the perennial problem of what should be done about Campbell Ave.

Present at the meeting was Dee Eberhart, consultant for Larry Smith & Co., of San Francisco, the firm that had made an economic survey of the street a few years ago.

Eberhart re-emphasized the points that had been presented in the original report. He explained that the three years that have gone by had not changed the situation.

He indicated that the market opportunity still exists on Campbell Ave. and attempts should be made to improve it. No major or regional shopping centers will ever be developed on the street, he said, because there

WHAT NOW?--Controlled burning (as pictured above) of houses previously condemned by the building department in the Railway-Dillon-Gilman section of town has provided the fire department with an excellent training program and has resulted in a number of cleared lots. But the bothersome question now is what type of zoning should be applied to upgrade the section. This was discussed at a meeting in the city hall last week with no definite answer forthcoming. In the meantime, back at the clearings...

Local merchants

New Campbell Stamp hits town

Members of the Campbell Merchants Stamp Association this week introduced a new Campbell stamp which is expected to be more convenient for both the merchant and the customer, according to Myron Fairchild, association manager.

The new stamp will be issued for each 25-cent instead of each 10-cent purchase as was the case previously. The stamp book when filled will be worth $2.10 in cash or $3.00 in trade.

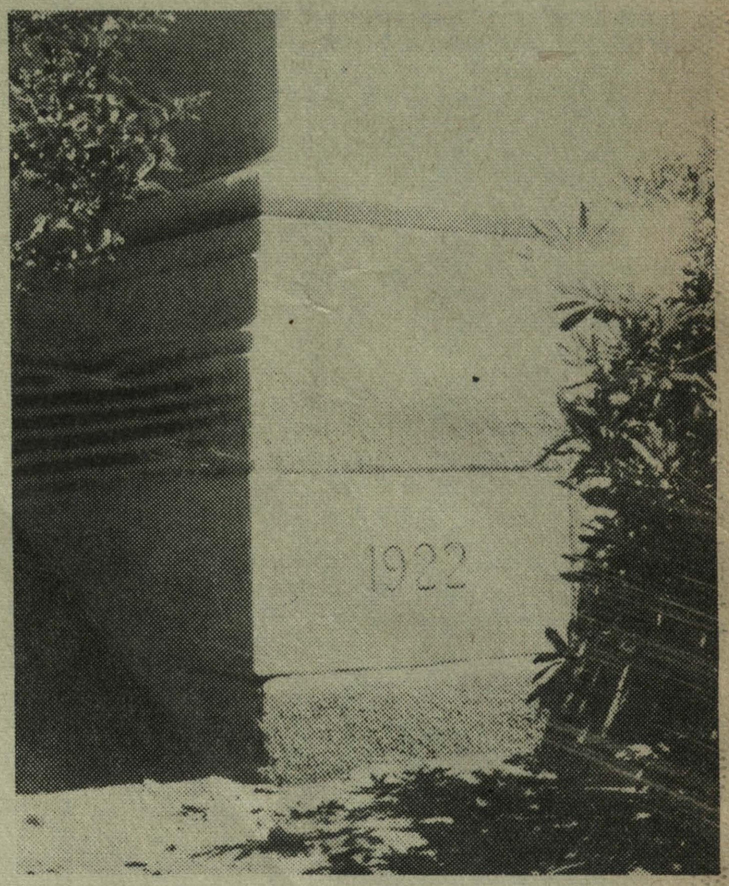
The new stamp book has 28 pages instead of 40 pages. Fairchild also said that, although the old stamps are not being issued, customers may redeem their old stamps for new. Filled or partially filled books of the former stamps will continue to be honored by the member stores.

It was announced this week also that Home Market had joined the Stamp Association making a total of 17 stores now where the Campbell Stamp is available. A special introductory bonus coupon appears in the Stamp Association ad in this issue announcing the new stamp.

Members of the Campbell Stamp Association are: Campbell Drugs; Campbell Hardware; Campbell Music Center; Clark's Drugs; Frank's Minute Man Shoe Service; Vince's Guarantee Shoe Store; Golden Rule Department Store; James Nursery; Jefers Men's and Boy's Wear; Nelson Pro Hardware; Pink Cameo Fashions; Rachel's; Rozanne Shop; Saliccia's Hancock Service; Strong Paint; Winchester Hardware and Home Market.

Un-laying cornerstone

Schools-city plan joint ceremony



For the first time in the history of Campbell, a cornerstone un-laying ceremony is to take place.

This unique program, with both school district and city officials cooperating, has been tentatively slated for October when the cornerstone of the Campbell Grammar School, built in 1922, is removed.

The Campbell Grammar School will be used by the new West Valley Junior College this fall and eventually will be demolished.

Superintendent William Henley has been authorized by his trustees to plan an "appropriate ceremony." City officials, through Mayor Charles Rose, have indicated their willingness to cooperate.

CHECKING IT OUT--School Superintendent William C. Henley (left) directs Mayor Charles Rose with hammer and chisel as they examine the cornerstone of the Campbell Grammar School. Mrs. Dorothy Sutter, school principal, is an interested observer. A cornerstone un-laying ceremony is planned for October, with the city and school district cooperating, when the cornerstone is removed.

High School district asks $10 million bond election

Faced with figures showing its enrollment expanding at the rate of some 700 students every year, Campbell Union High School District board of Trustees will ask voters to approve a $10 million bond issue September 15.

This was the announcement this week of E.M. Arends, president of the board. He explained the plan of the board was to continue to keep the district bonded to its full capacity, in order to continue to be eligible for state school building aid.

"Approval of the bond issue will make it possible for the district, without raising its tax rate," Arends explained, "to continue to provide adequate housing for the school population.

The state school building aid law, which has enabled Campbell to build five new high schools in the district since 1955, he explained, limits to 40 cents the amount of the tax the district is required to levy to finance its bonded indebtedness and its indebtedness to the state under the aid plan.

Because of the increase in assessed valuation since its last bond issue was authorized in 1959, Arends added, the district is no longer bonded up to its legal capacity of five per cent of the assessed valuation.

By 1966-67, bonded indebtedness will be a million dollars less, and assessed valuation will have increased to $361,977,000, which would leave the district $8,911,000 short of being bonded to capacity.

Action of the board came at its meeting last week after Superintendent Laurance J. Hill presented charts showing school enrollment in the district had increased from 2,074 in 1954 to 9,528 this year.

Editorial

First, the goal

Campbell's road since incorporation, 'way back in 1952, has not been a smooth one.

But the city has surmounted many of the road blocks in the past and continued on. Admittedly the going has been rough at times.

But there have been many advances on many fronts.

The biggest handicap is, however, that despite the advances there are so many objectives to be reached that often the advances are overlooked.

There is no question in our mind that the two of the biggest headaches that face the city administration today are (1) what should be done about downtown Campbell Ave. and (2) how to upgrade the Railway-Dillon-Gilman area.

There are no easy cures to these two headaches.

At the meeting held last week attended by city and Chamber of Commerce officials and property owners of the two areas, it was obvious that everyone recognized that something should be done.

But which way to move, how fast and with what remain unanswered.

Many ideas were revealed for both sections of town.

But translating these ideas into basic practical steps seemed beyond the scope of any of us who attended the session.

But the problems cannot be ignored.

They are with us and they are not going away.

The city is limited as to its contribution in a financial manner.

On the other hand, the city should take the initiative and assist the interested property owners in achieving some sort of objective. if it only can be ascertained what that objective is.

We agree wholeheartedly that it is necessary to remove sub-standard buildings, if any improvement is going to take place in either section.

And there are sub-standard structures on Campbell Ave. today just as there are in the Railway-Dillon-Gilman area.

But buildings should not be removed just willy-nilly UNLESS an overall objective has first been established.

While it is commendable to clear an area, it should be cleared for a purpose.

It has been claimed that the Railway-Dillon-Gilman area has been zoned M-1 (light industrial) for 10 years and there have been no no great strides made as far as improvement is concerned.

And the same thing can be said about Campbell Ave., for upgrading of Campbell Ave. has been discussed for years.

It has also been suggested that a zone change for the Railway-Dillon-Gilman area might be the solution and the improvements in this section would be accelerated as a result.

There is nothing wrong with this kind of thinking. Or is there anything wrong in making a study of the area to see if a different zone is the answer?

But the property owners should not be left dangling.

We are all for moving ahead. And getting rid of sub-standard structures is a good way to start.

But the movement should be directed toward a definite goal.

So far that goal, if there is one, has been mighty vague...on Campbell Ave. or in the Railway-Dillon-Gilman section.

And it is later than we think.

Two areas need upgrading

(Continued from page 1)

is not freeway interchange. But there is room for a neighborhood type of shopping.

The present business community on Campbell Ave., he pointed out is comparable to that of Kodiak, Alaska, where he had just been.

But Kodiak, he added, serves only 2700 people and the population of Campbell is 21,600 within the city limits with 56,000 in the shopping area.

THREE STEPS

He stressed that three major steps have to be taken if Campbell Ave. was to develop as a neighborhood retail outlet: (1) parking: (2) traffic circulation and (3) unique identity.

Parking areas must be acquired that are both visible and accessible. The traffic circulation must be such to provide for moving vehicles without congestion and the appearance of the avenue must offer something that is not offered by other areas. He cited a cluster type of commercial development and the grouping of shops, following a certain theme that is carried out in the designs.

He concluded by saying that regional centers were coming to the area, but not on Campbell Ave. But the area still should be orientated to them. Campbell is caught in the tide and is not getting its money's worth from existing business, he said.

Orville Overen, city planning director, added fuel to the fire by presenting a compilation of statistics to show that Campbell Ave. has been gradually changing from strictly retail outlets to services and offices. He emphasized that the first step to be taken was to acquire off-street parking areas.

SECOND PHASE

The second phase of the meeting dealt with the problem of the Railway-Gilman-Dillon area. And no clear cut solution to this area's problem was uncovered at the meeting either, although many ideas were presented.

This section is now undergoing a change in which many sub-standard buildings have been demolished. The section has been zoned M-1 (light industrial) since the city's incorporation. But this zoning has not tended to upgrade it to any extent, as was the original intent, it was pointed out.

Some have advocated placing a new type of zoning on the area to accelerate the development. And that, Mayor Charles Rose explained at the meeting, was the reason the matter was up for discussion. Any such change should be tied in with any downtown area development program, he said.

WHAT NOW

But in the meantime, property owners whose buildings have been condemned and in many cases demolished, want to know just what they are to do about it. Should they plan for industrial development or should they plan for apartments?

Many of the property owners in the area have some parcels and no one would be interested in developing the section unless they could unite in a common program. But what this program is to be still was unanswered when the meeting was adjourned.

Those taking leading roles in the meeting included Mayor Rose; Thayer Lyons, planning commission chairman; John Faber, downtown redevelopment committee chairman; Overen; City Manager Robert Stephens, and Eberhart.

But no place in the report could we find anything about how we could improve our own game.

Apparently that is not a banking problem.

But if we keep on losing to Bill Means as we did last week, it sure as heck will be soon.

At least as far as we are concerned anyway.

RUMORS THAT THE Brynteson Ranch consisting of about 30 acres on Campbell and Bascom has been sold have cropped up periodically during the 10 years or so that we have been familiar with this community.

In the past the rumors have more or less died of natural causes only to break out again a few years later.

According to those "in the know?," the sale of this choice piece of farm land was always blocked in the past by the old boy himself who was a resident of Sweden.

When he passed on, rumors started again that it was soon to be sold and developed.

Lately the rumors have been gaining in strength. So much so that the word is being passed around in top (?) circles that this time it is for real.

If the rumors do materialize this time, we can all look for a real change in the so-called Campbell Ave. image.

But the change may be one that so far has not been on any agenda.

MR. AND MRS. PATRICK H. KENOYER

Patrick Kenoyer weds Carolyn Guagliardo

St. Lucy's Church was the setting for the double ring ceremony which united Miss Carolyn Guagliardo and Patrick H. Kenoyer in marriage recently. Rev. John Lally officiated at the nuptials. The bride is the daughter of Mr. and Mrs. Anthony Guagliardo Sr., of 166 W. Campbell Ave. She was given in marriage by her father. "Pat," as he is known to his friends, is the son of Francis Kenoyer of Cupertino and Natlee Kenoyer of Palo Alto.

The brunette bride was attired in a beautiful white formal gown of rose point lace. Her fingertip veil featured a princess crown of pearls and she carried a crescent shaped bouquet of white roses. The three feminine attendants were Mrs. Sharon Bruce, matron of honor and Mmes. Dan O'Keefe and James Kenoyer, bridesmaids. They were all dressed alike in lavender gowns and carried French bouquets tied with lavender ribbons. Carl Smith served as best man and ushers were James and Michael Kenoyer.

A reception for approximately 150 friends and relatives was held at the Campbell Country Woman's Club. A color scheme of lavender and white was carried out at the bridal table where a floral fountain was the center of the table and lavender sweet peas were arranged down the center of the table. A four-tiered wedding cake was cut by the newlyweds. Dancing was enjoyed to the music of Jack Rudd and his musicians.

The young couple left for a week's honeymoon in the Hawaiian Islands and on their return spent a few days in Las Vegas, Nev. They are now at home to friends in Cupertino where Kenoyer is a partner in the Complete Roofing Company. He is a graduate of Fremont High School. The bride is a graduate of Campbell High School and has been employed as a receptionist at Gemco, in Cupertino.

New Auxiliary to support Pony League

The newly-organized Women's Auxiliary to the Campbell-Moreland Pony League had its "Get Acquainted" meeting May 26 at the Campbell Adult Education Bldg. Under the chairmanship of Mrs. Edward J. Rogers and co-chairman, Mrs. Deana Peyton, the mothers' aim is to raise sufficient funds to support the baseball-playing field on the Castro school grounds and the diamond at Rincon Park whose use was granted to the Pony League by the City Council early this spring. The first game scheduled at Rincon field is June 6.

Beginning this year, Pony League will have Minor teams to allow boys ages 13-14 not picked for Major teams to play ball.

All mothers interested in the Women's Auxiliary are urged to contact Mrs. Rogers.

Rainbow Girls to install Kathy Milledge

Campbell Assembly, International Order of Rainbow for Girls, will hold its third installation of officers, Sunday, June 7, at 7:30 p.m. in the Los Gatos Masonic Temple, 131 E. Main St. Mrs. Leo Haynes is the mother advisor.

Miss Kathy Milledge will be installed Worthy-Advisor. Other officers are Linda Simberg, Worthy Associate Advisor; Kathy Henry, Faith; Carolyn Reed, Hope; and Gerri Patterson, Charity.

Miss Milledge is a sophomore at Campbell High School. She is the daughter of Mr. and Mrs. Stanley W. Milledge, 276 Radford Drive. Her younger sister, Melissa, will be the Bible Carrier.

High School reunion is huge success

The Campbell Union High School's graduating class of 1930 held its first reunion Saturday evening, May 23, 1964, at Lou's Village.

To a background of "Roaring Twenties" tunes rendered on the organ by Mrs. Clyde Janic, time rolled back for over half the original class, their wives and husbands. Neither the Great Depression nor World War II appeared to have materially dampened the class spirit manifested by those enjoying this momentous occasion. Aside from an extra pound here and there, a smattering of grey or missing hair, and a liberal sprinkling of bi-focals, this could have been a typical, tumultous student body session of 1930.

Emceed by Rocci Pisano (and others), this reunion was considered such an outstanding success as to merit consideration for a repeat in five years.

Members of the organizing committee were Nadine Wendt (Mrs. Jackson), Mary Rossotto (Mrs. George Denevi), Clyde Janic, Miles Standish, Elwyn Overshiner and Rocci Pisano.

CITY OF CAMPBELL
CALIFORNIA
NOTICE TO CONTRACTORS
PROJECT NO. 64-4

Sealed proposals will be received by the City Clerk of the City of Campbell, City Hall, Campbell, California until 2:00 o'clock P. M. on Thursday, the 18th day of June, 1964, for

Improving Campbell Avenue by installing storm sewers from Winchester Boulevard to Via D'Este.

in accordance with and as described and provided in the plans and specifications therefor and the proposed form of contract therefor, all of which are on file in the office of the City Engineer of said City, and to which special reference is hereby made.

At the above-mentioned time, in the chambers of the City Council, said sealed proposals or bids shall be publicly opened, examined, and declared.

No oral, telegraphic, or telephone bids will be considered.

Bids are required for the entire work, materials and improvements.

Each proposal must be accompanied by cash, cashier's check, or check certified by a responsible bank, or by a bid bond, the proposed form of which is on file in the office of the City Engineer of said City and to which special reference is hereby made, in a sum not less than ten percent (10%) of the total amount bid, payable to the City of Campbell as liquidated damages in case the bidder is awarded the contract and fails, within fifteen (15) days after date of mailing to him by the City Clerk of a notice of award of the contract and that the contract is ready for signature, to execute the above-mentioned written contract and file with the City Clerk satisfactory insurance certificates as required by the terms of said contract and satisfactory bonds as required by law for the faithful performance of said contract and for the protection of materialmen and laborers. Special reference is hereby made to Section 4200 and 4208 of the Government Code of the State of California, and to the proposed forms for said bonds now on file in the office of the said City Engineer, for further particulars respecting bonds.

The attention of bidders is specially called to the provisions of Article 2, Chapter 1, Part 7, Division 2, of the Labor Code of the State of California, and to Resolution No. 1412 of the Council of the City of Campbell, adopted on December 10, 1962, in compliance with said provisions of the Labor code, copies of which are now on file and open for inspection in the office of the said City Clerk and in the office of the City Engineer, Campbell, California, and another copy of which is attached to the proposed form of contract above referred to. The general prevailing rate of per diem wages in this locality for each craft or type of workmen needed to execute the contract for said work and improvements, and also the general prevailing rate of per diem wages for each such craft or type or work for each legal holiday, Saturday, Sunday, and for overtime work, is as ascertained and set forth in said resolution, and said resolution is hereby specially referred to as "Exhibit A" and incorporated herein the same as if completely set forth herein, and is hereby made a part of this Notice.

No proposal will be considered unless made on forms furnished by the City Engineer of said City at his office of said City. Each proposal must be sealed, and the envelope containing the same must be addressed to the City Clerk of the City of Campbell, and must be plainly marked:

"PROPOSAL ON PROJECT 64-4"

Each bid shall separately state in both words and figures the price offered for the approximate quantity of each item set forth in the proposal form, and shall also state in words and figures the total contract price. Quantities set forth in the proposal form and in the specifications are approximate only, being given as a basis for comparison of bids, and the City of Campbell does not, expressly or impliedly, agree that the actual amount of work or materials will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work or materials or to omit portions of work or materials as may be deemed necessary by the City Engineer.

Proposals may not be withdrawn after the time fixed for opening of proposals. The Council of the City of Campbell reserves the right to reject any and all proposals, and to waive any errors or informalities in any proposals.

Plans and specifications may be obtained at the office of the City Engineer at a charge of twenty-five dollars ($25.00) per set. A refund of twenty-five dollars ($25.00) will be made for these sets if returned in good condition within ten (10) days after date of award of contract.

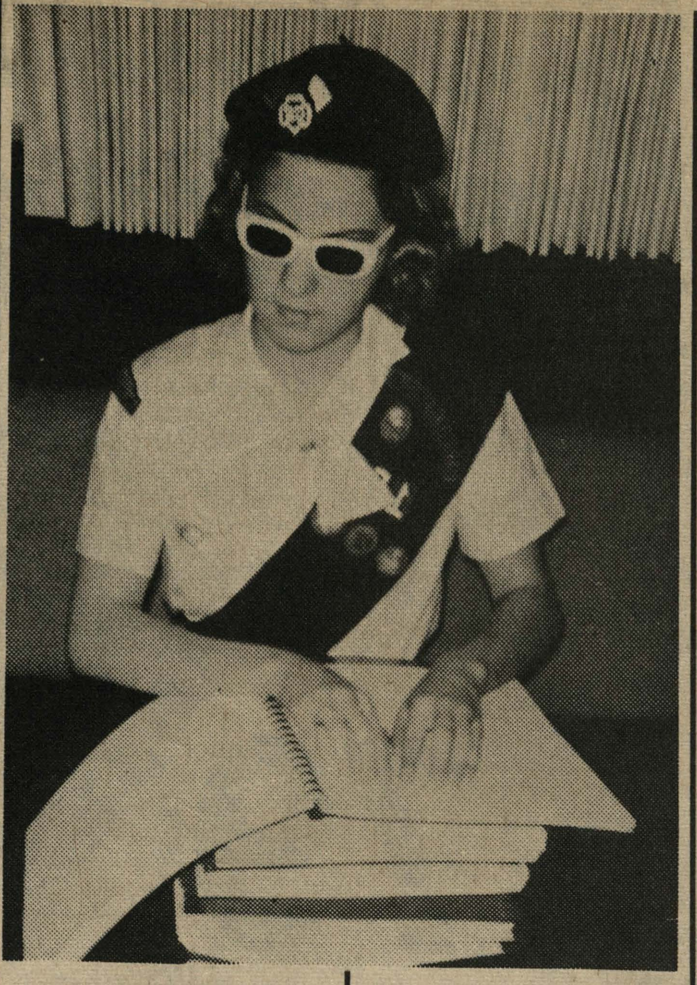
HONORED-- Earl Sage, principal of Joseph McKinnon School, was the recipient of an honorary life membership presented by the El Paradiso Council, Sixth District, C.C.P.T., at their annual May luncheon held at the First Methodist Church in Campbell. Sage has been in the teaching field for 14 years and has a background of experience in special education.

Obituaries

J: Warren McKenzie

J. Warren McKenzie, a fifty year resident of Campbell, succumbed to a heart attack May 31. Funeral services were conducted from Campbell Memorial Chapel. Rev. Doctor Corwin Olds officiated.

McKenzie, who would have been eighty years old on June 8, resided at 74 No. Second St. He was born in Gilroy and was a retired technician for Standard Oil Company. He was a member of Morning Light Lodge, I. O. O. F. of Campbell and Orchard City Grange. He is survived by his wife, Clarabelle McKenzie, a sister, Mrs. Etta Mae Eddlemon of San Jose, and two step brothers, C. E. Campbell of Burlingame and A.B. Campbell of Berkeley.



GIRL SCOUT HANDBOOK NOW TRANSCRIBED IN BRAILLE --Thanks to the Braille Transcription Project of the 6th District of the California Congress of Parents and Teachers, Maureen McBain, a blind Girl Scout, can now pick up and "read" it. Maureen is a member of Cadette Troop 15. She is the daughter of Mrs. Elizabeth McBain, 1657 McBain Ave., Campbell. The Girl Scout Neighborhood Association in Campbell started the wheels turning on this project and soon there will be both a Brownie and Senior Handbook transcribed in Braille.

Castro PTA has final session

Elvira Castro PTA held the last meeting of the year May 31 in the school library. The program included a recap of the school year by seventh and eighth grade students and installation of officers by Mrs. Fred Caton of El Paradiso Council. The flag salute was led by Troop 370.

Students taking part in the program were Carol Gavin, student-body president, Mary Dunz, Carol Weingartner, Sammy Bright and Perry Rogers.

Newly-installed officers are: Mrs. Marvin Hulsey, president; Mrs. Bernard Kelly, first vice-president; Frank Lavoi, second vice-president; Mrs. Kenneth Frame, third vice-president; Mrs. Joseph Robuck, recording secretary; Mrs. Carl Mattison, corresponding secretary; Mrs. William Jensen, treasurer; Mrs. Charles Brooks, historian; Leon Epps, auditor; Robert Blake, parliamentarian.

A get-acquainted barbecue will be held for executive board members of Castro PTA on Saturday, June 6. Both retiring and newly installed officers are invited.

Reception held for newlyweds

Congratulations were given to Mr. and Mrs. Charles Carter (Barbara Nodine) at a recent meeting of Orchard City Grange. The couple were recently married. Carter is Master of Almaden Grange and his bride is the H.E.C. Chairman for Orchard City Grange. A reception was held at the local Grange Hall last Friday evening in their honor. Both Almaden and Orchard City Granges were hosts for the occasion.

A candlelight service in memory of members deceased during the past year was held at the last meeting. Mrs. Dorothy Tyson, Chaplain, was chairman.

A luncheon open to the public will be held at the Grange Hall on Thursday, June 4, at noon. Home Economics committee will meet on June 12 at 1:00 p.m. The next regular meeting of the Grange will be June 9.

Dr. Stuart Anderson

Church dinner will honor school president

Dr. and Mrs. Stuart Le Roy Anderson will be the guests of honor at a special All-Church dinner in the Fireside Room of the Congregational Church of Campbell, Friday, June 5.

Dr. Anderson is president of Pacific School of Religion in Berkeley. The dinner, which will be covered dish style, is part of a series of such church-wide affairs presented by the Outreach Board of the church to acquaint the constituency of the church with significant personalities and movements within the life of the church. Dr. Anderson is the author of A Faith To Live By, published by Oxford University Press. Mrs. Anderson is an instructor in speech at Pacific School of Religion. Mrs. Jean Low is chairman of the dinner and a music and fun program led by William Gibson, will precede the address by Dr. Anderson.

Board ups salaries but may cut taxes

If the assessed valuation of the Campbell Union (elementary) School District reaches the anticipated increase of 8 1/2%, a tax reduction is possible in the district, Superintendent William C. Henley reported to the trustees last week.

This decrease of six or eight cents in the general purpose tax rate could come about even after granting an average five per cent salary increase for certificated and classified employees, he said.

Henley presented a budget totaling $5,840,237 which included both salary increase and the expected hike in assessed valuation. The board approved the salary schedule and took the budget under advisement.

The teacher's salaries will range from $5,400 to $10,800, an average increase of $360 on the median, which is now $7,417 and will go to $7,776 next year. The salaries will add $180,000 to the 1963-64 schedule. Classified employees will get similar increases.

The board also approved drawings for additions for Rolling Hills School and directed the architect to draw plans for additions to Hazelwood, Forest Hill, Monroe, Rosemary and Quito.

Board receives library report

For the 1964-65 school year, Campbell Union (elementary) School District will have five librarians and five clerks, to serve 19 schools, Mrs. Elaine Hendricks, district librarian, reported to the school board last week.

The district library staff has grown from one librarian and two clerks to serve 13 schools in the 1957-58 school year, when CUSD established its own library service. During 1963-64, there were three librarians and four clerks for 18 schools.

As of April 24, 1964, the district has 5.6 books per pupil. The American Library Association standard is 10 books per pupil, Mrs. Hendricks said. To achieve even eight books per pupil over the next four years, the district would need to purchase 36,426 books at an average cost of $3.50 per book; a total of $31,872 per year for each of the four years.

To reach 10 books per pupil by 1968, would require an additional 61,618 books or 15,406 per year, at an average annual cost of $53,921.

"Mac" Martinez named swim coach for WVJC

West Valley Junior College's newly-named swimming and water polo coach, Manuel Martinez, has scheduled 14 water polo games for this fall, although his duties with the soon-to-open JC haven't yet begun.

Mac, who currently teaches Spanish at San Jose City College, plus Spanish, swimming, and water polo at Lincoln High School, begins his WVJC duties July 1. However, he's already urging WVJC enrollees to jump in the swim--sign-up sheets for Water Polo 40 are now available to students making inquiries at the College administrative offices, 4710 Campbell Ave., San Jose (near Westgate Shopping Center).

Coach Martinez is 38, married, has three children, and lives at 1195 Holmes Ave., Campbell. He has an AA degree from Modesto Junior College and BA (Major, Spanish) and MA (Education) degrees from San Jose State. At Modesto JC, he was vice-president of the student body, and at SJS, he was lightweight boxing champ. WVJC has made arrangements to use the pool at Campbell High School.

NCS swim finals at Foothill JC

Campbell High School varsity swim team placed fourth in tough competition in the North Coast Section finals at Foothill College last week. Varsity relay swimmers John Reihling, Scott Smith, Doug Guilbert and Jerry Atkinson were up against such stars as Don Schollander of Santa Clara. Bob Kano of the B Swim team placed sixth and B divers Bill Anderson and Dean Mendenhall came in fourth and seventh, respectively.

Camp Campbell opens June 27

Campbell youngsters have been invited to register on a first-come-first-served basis for either of two week-long session at the YMCA's Camp Campbell in the Santa Cruz mountains.

Boys will be accepted, regardless of whether they are YMCA members, for sessions of June 27-July 4 and July 4-11, according to Arthur J. Northrop, Camp Branch director for the Metropolitan YMCA.

Camp Campbell is the YMCA's residence camp on the San Lorenzo River, near Felton. Its program includes hiking, swimming, boating, riding, nature study, crafts, cookouts and campfire entertainments. Nonsectarian worship services are also part of the program, Northrop said.

Camp Campbell is supervised by a full complement of counselors and directors, he added. Boys between 9 and 13 years of age are eligible to register.

Northrop said that further information can be obtained by telephoning the camp office at the Metropolitan YMCA headquarters in San Jose. The number is 298-1717.

Woman severs light pole

A chain reaction was set off by Mrs. Louise Edna Pichardo, 26, of 92 Hollywood Ave., San Jose, when she allegedly hit and severed a wooden light pole in half at Hamilton and Bascom Avenue Saturday night, May 30.

Officer Gary Thompson of the Campbell Police Department reported that another driver, Gordon L. Shadwick, 52 W. Spartan City, San Jose, tried to avoid hitting the severed half of the pole by veering to the left but was unable to clear it completely. His Volkswagon was slightly damaged. Still another driver dragged the pole approximately 123 feet before he drove off.

IN COAST GUARD

Jack L. Miller, son of Mr. and Mrs. John F. Miller of 1171 Shadle Ave., Campbell, is undergoing recruit training at the Coast Guard Base at Alameda, Calif.

WVJC faculty nearly complete

West Valley Junior College trustees have appointed nine more of its 45 full-time instructors for 1964-65, Dr. Wallace W. Hall, WVJC president has announced.

President Hall indicated that the appointment of the full-time faculty for 1964-65 is now 90 per cent complete. The remaining full time positions to be filled are in the respective areas of accounting, geography, remedial reading-English, English-counseling, French-Spanish, and full-time counseling. Selection of part-time instructors for extended-day and evening courses will begin as soon as the full-time faculty has been named.

ON THE JOB-- Campbell Fire Department controls a fire which broke out in a storage warehouse in the alley at the rear of 252 E. Campbell Avenue. The structures have recently been condemned by the city as unsafe.

CASH WINNER-- Michael Baker, 17-year old Campbell High School student, receives a $150 cash award from the Bank of America at their annual Achievement Awards Banquet held at the St. Francis Hotel in San Francisco recently.

Making the presentation is Sam B. Stewart, executive vice president and general counsel for the bank. Baker, who majors in science and mathematics, is the son of Mr. and Mrs. Harry B. Baker of 275 Radford Drive.

College students need tools for work program in Mexico

A group of college students who plan to spend their summer vacation in Mexico working on improvement projects in Mexican villages have made an urgent plea for tools and other equipment that they can use in their work.

The students will receive no compensation for their work, but are doing it as part of the Amigos Anonymous program now in its third year of operation. They will leave June 12 and return at the end of August.

Jim Beyer, 294 S. California St., a San Jose State student, will take part in the eight-week project. Those wishing to assist the group in the program can contact him at 378-4728. Another San Jose State student and also a graduate of Campbell High who will join the south-of-the border work project is Jim Shanteau.

About 100 college students from the Bay Area will participate in Amigos Anonymous under the auspices of the Catholic Church, but it is inter-denominational. It is affiliated with International Student Worker Corps, on a nation-wide scale.

Beyer's group will be assigned to Santa Maria, a village in southern Mexico, where the students plan to assist in the installation of sanitary facilities to raise health standards. They will also assist in other projects.

Beyer said that there is a desperate need for all old types of equipment, including picks, hammers, shovels and saws.

Blind teacher takes part in Braille confab

Ben Sanematsu, blind instructor in charge of the unique Campbell Union High School District program of instruction for blind students, has been called to Minneapolis for a four-day conference of the National Braille Club.

Sanematsu was a high school mathematics teacher who qualified himself to teach the visually handicapped when he was persuaded that his own failing sight was gradually leading to blindness. His background in mathematics will make him useful at the Minneapolis conference where one of the problems will be transcribing new mathematics texts, together with mathematics symbols, into Braille.

Nine students are enrolled in the Campbell district program.

Gibbons eligible for state meet

The North Coast Section prep track meet was held last Saturday, May 23, at Leigh High. This meet, the biggest one of eight held in Calif., determines which prep athletes will go to the State track meet in Los Angeles, June 5 and 6.

Tom Gibbons was the only varsity athlete to be entered by Campbell in this N.C.S. meet. Tom, running his best times in both hurdle events, placed second in the 120 high hurdles and fourth in the 180 low hurdles.

This enables Tom to participate in the State meet.

CLAREMONT GRADUATE

Among the 98 candidates for the bachelor of art degree at Claremont Men's College's 17th Commencement, Sunday, June 7, is William James Griffith, son of Mr. and Mrs. Robert E. Griffith, 19000 Mellon Drive, Saratoga.

Griffith, a graduate of Campbell High School, majored in philosophy.

Perry Trophy goes to Campbell once again

The annual Campbell Springs Sports Banquet, presented on Wednesday, May 27, was highlighted by the awarding of the Perry All-Sports Trophy to Campbell High for the second consecutive year. Gaining 98 points compared to the 69 points of Blackford High, Campbell easily ran away with the award.

Also presented at this banquet were individual trophies to the six winter and spring championship teams for Campbell High. These teams were the Varsity and Frosh-Soph Baseball, B Basketball, C Track, Tennis and Wrestling.

The program, "MC'ed" by Harold Santang, was completed with the announcement of the All-League selections for baseball teams. These were Randy Knight, Ran Baldinger, Pat Hartigan, Murray Hall, Junior Rodriguez, and Gary Papa for Varsity, with Al Shimizu, Gary Porter, Roy Grillo, Tom Rundall, Von Takaha, and Don Hahn who was also chosen MVP of the Frosh-Soph League.

A small turn-out watched the Buc athletes carry away more honors than any other recent Sports Banquet. The entertainment was provided by the Male Choir. This is to be the last such sports occasion before the separation of Campbell and Westmont.

Frosh-Soph team league champs

The Campbell High Frosh-Soph baseball team finished its second consecutive league championship and undefeated season by beating Camden High 17 to 1.

This made Coach Wayne Clay's team 1 game ahead of second place Blackford in a closely packed pennant race.

The season saw the Bucs overwhelm the other teams in the league, having only one close game in the season. Don Hahn led the pitching staff with wins. Tom Randall, Roy Grillo, Vaughn Takaha, Al Shimizu, and Rick Woolworth led the hitting attack this season.

ROSTER

Vaughn Takaha, Tom Pardoe, Dale Morehead, Roy Grillo, Rich Woolworth, Mike Weber, Don Hahn, Al Shimizu, Tom Rundal, Terry Vierra, Gary Porter, Tom Weirick, Dave Turner, Kent McClain, Stan Yamamoto, Dave Maas, and Steve Dekeyerl.

School bowlers roll in finals

Campbell High School's bowling team is one of four out of 22 that qualified last weekend for the finals in the Santa Clara county high school bowling tourney at the Moonlite Lanes.

The team, composed of Kevin Tomkins, Bill Chapman, Skip Rush, Larry McCann and Myron Falkowski, will bowl this Saturday. Tomkins rolled a 631 and Falkowski 619 in the tourney. The team's 2740 was second best of the 22 entries. Teams in the finals include Campbell, Logan, San Jose and Cupertino.

Buc tennis team tied

On Thursday, May 21, Campbell's tennis men played their last match of the season against Camden. Campbell thoroughly mauled the Cougars 7-0, which put the final league standings at a two way tie for 1st between Campbell and Saratoga.

Nowadays it costs you less to cook because your PG&E rates have gone down

Nearly everything has gone up in price these days . . . except your PG&E rates. They have gone down lately. As a matter of fact, the typical PG&E household customer pays less today than 30 years ago for the same amount of gas and electricity. But count the things around your home that gas and electricity are doing for you and your family today. You are using 3 times as much as families did 30 years ago. So naturally, though the unit price is lower, your bill is bigger. Any way you look at it, you live better for less because PG&E service is a bigger bargain than ever.
